• ***University Mission***

- We aim to be a world-class platform for research and education, contributing to human knowledge in partnership with other leading global universities.
- We aim to nurture global leaders with a strong sense of public responsibility and a pioneering spirit, possessing both deep specialism and broad knowledge.
- We aim to expand the boundaries of human knowledge in partnership with society.

from The University of Tokyo Charter

• *Start of the Presidency of Prof. Gonokami*

Professor Makoto Gonokami has become the 30th President of the University of Tokyo on April 1st, 2015, with a six-year term.

- **Take the lead in collaborative efforts driven by diversity through global viewpoints**
- **Become a global base for knowledge collaboration**

from the President's Policy Declaration

UTokyo's Strength

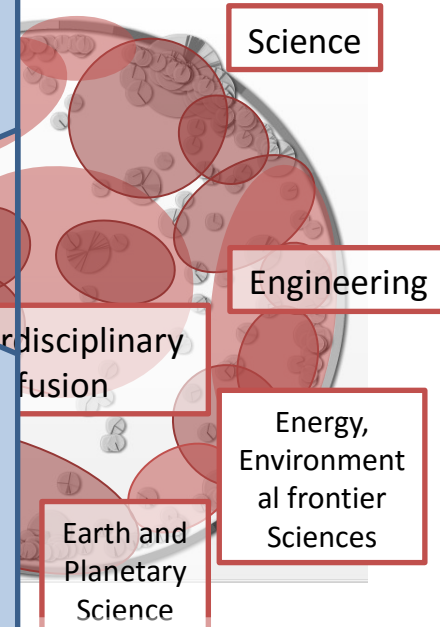

Source : Elsevier SciVal
(2013,12)

Deeper in color means stronger in fields. Peripheral circle represents specialty and the internal part is interdisciplinary fusion.

- UTokyo has the allround faculty's strength in the world
- Ranking top 20 for 18 fields of research among all 30 fields, including 5 areas of study listed in top 10 (QS2014)
- Highly evaluated for Science as well as Humanities
